

PMWG May 2021 Meeting Notes

5/27/2021

- I. Introductions
 - A. Name
 - B. Agency
- II. Agenda
 - A. Overview of the meeting
 - B. Completing the remaining benchmarks
- III. Length of Time Homeless
 - A. Persons in ES and SH
 - B. Persons in ES, SH and TH
 1. Q: Why are folks staying longer in TH
 - a) Laura: Most programs were not asking people to leave causing an impact; although when looking at the numbers they do not seem to be that different.
 2. Looking at distribution of individuals - help understand individual LOT-chart
 - a) Kelly: Setting a maintenance goal - something in between last year and where we are now
 - b) Laura: 80 days
 - c) Steven: Adding shelters and other forms of housing that are needed; shelter days may be increasing
 - d) Kelly: Maintenance at 90 is about as aggressive as we can achieve
 - e) **ES and SH 90 for average # days & 60 for median # days**
 - (1) Laura: TH is a much longer stay than ES
 - f) **ES, SH and TH: average # days 120 & median # 70 days**
 3. Coordinated assessment to Move In
 - a) **Average # of days until PSH or RRH move in date: N/A**
 - b) **Median # of days until PSH or RRH move in date: 170**
 - (1) How many of the people of this data set accessed a hotel
 4. Housing Income and Employment
 - a) \$ per month PSH --- **70% seems reasonable**
 - b) \$ RRH
 5. Review
 - a) Health Insurance
 - (1) RRH 95%
 - (2) PSH 95%
 - b) DQ PM
 - (1) Clients exiting to Known Destination

(a) ES: 70%

c) Missing Values
