CR-05 - Goals and Outcomes

Progress the jurisdiction has made in carrying out its strategic plan and its action plan. 91.520(a)

The Santa Clara Urban County (Urban County) program focuses the use of its Community Development Block Grant (CDBG) and Home Investment Partnerships Program (HOME) funding on a combination of housing and community development activities, along with public services directed towards assisting low-moderate income individuals and families. The bulk of federal assistance is committed to housing development. The Program Year 2021 (County FY 2022) Consolidated Annual Performance Evaluation Report (CAPER) captures the expenditures, accomplishments, and progress made on the strategies and goals outlined in the approved 2020-2025 Consolidated Plan (Con Plan), for the CDBG and HOME programs approved by the Santa Clara County Board of Supervisors on May 4, 2021.

The CAPER outlines achievements in affordable housing, homeless services, and community development programs and covers the time period starting July 1, 2021 to June 30, 2022. It also includes activities funded in previous fiscal years with accomplishments reported during FY 2022. As with most new construction projects, the outcomes are not reported until the completion of the project. During the reporting period, \$3,032,149.65 was spent in total CDBG expenditures. In addition, \$1,106,929.03 in CDBG-CV resources were spent. Lastly, \$39,087.79 was spent in HOME expenditures.

During the reporting period, a housing development was identified to receive HOME funding. The Urban County anticipates that the HOME funds will be expended during the next reporting period.

The following accomplishments were achieved during FY 2022:

FY 22 Accomplishments:

- Construction of Quetzal Gardens, a new affordable housing development was completed in 2021 with households moving into their new housing units during the program year. Quetzal Gardens consists of 71 multifamily housing units, which includes 28 permanent supportive housing units for chronically homeless individuals and their families, 19 units that serve extremely low-income households, 23 units that serve low-income households and 1 manager unit. (Activity 1684)
- A capital improvement project was completed at the Campbell Community Center Track. With CDBG funding, the City of Campbell installed a new synthetic surface to address the surface tears and accessibility issues at the track. (Activity 1830)

- A capital improvement project was completed near Britton Middle School in Morgan Hill. A new sidewalk was constructed to improve accessibility and allow for safe pedestrian access from Del Monte Avenue to Britton Middle School. (Activity 1828)
- Acquisition of Royal Oak Village - CDBG funds were used to acquire a property at 15440 Monterey Road, Morgan Hill, California 95037. The land will be used to develop an affordable housing project consisting of 72 affordable apartments, of which 18 units will be set aside as Rapid Rehousing units for homeless individuals and families. Thirty units will be set aside for agricultural worker households earning up to 30% of the area median income. The remaining 24 units will accommodate individuals and families earning up to 50% AMI. A groundbreaking ceremony for the development was held on August 11, 2022. Construction is expected to be completed in Oct 2023. (Activity 1831)
- The program helped 49 low-income homeowners complete deferred maintenance and emergency repairs to their residences. (Activity 1826)
- 4,602 low-income individuals were assisted with shelter, housing, legal services, counseling, and other supportive services through CDBG Public Services, CDBG-CV contracts, and a contract to help low-income homeowners with minor Repair/Maintenance Program

Assess how the jurisdiction’s use of funds, particularly CDBG, addresses the priorities and specific objectives identified in the plan, giving special attention to the highest priority activities identified.

The Con Plan identified seven funding priorities:

1. Increase affordable and supportive housing.
2. Promote fair housing Countywide.
3. Maintain and expand activities designed to prevent and reduce homelessness.
4. Preserve existing affordable housing.
5. Provide essential services for special needs populations.
6. Maintain, improve and expand community facilities and spaces; and
7. Strengthen employment and workforce opportunities.

Actions undertaken during Fiscal Year 2022 were consistent with the primary goals and objectives of the Con Plan. All Fiscal Year 2022 funding was directed towards these priorities, resulting in direct benefits to a large number of Santa Clara County residents. Funding was used for a variety of activities targeted at reducing poverty, helping families and seniors remain in their homes, development of new affordable housing and repair of existing housing, and accommodations for homeless families and individuals.

Narrative

The Urban County has not established specific target areas to focus the investment of entitlement funds (the "Citywide" target area listed in the table is not in use).

Leveraging

Explain how federal funds leveraged additional resources (private, state and local funds), including a description of how matching requirements were satisfied, as well as how any publicly owned land or property located within the jurisdiction that were used to address the needs identified in the plan.

The County leverages federal, state, and local resources to support populations in need. During HUD Program Year 2021 (County FY 2022), various housing activities were funded, including long-term affordable housing development projects.

In November 2016, Santa Clara County voters approved the Measure A Housing Bond. The Housing Bond provides the County with an opportunity to partner with cities, residents, and the affordable and supportive housing community to significantly address the housing needs of the community's poorest and most vulnerable residents. The County takes an active role in developing, financing, and supporting various types of affordable housing. To that end, the County has developed two strategies to enhance its ability to use publicly owned land to address the affordable housing needs identified in the plan:

1. **Developer-Led Developments:** As part of the County's Housing Bond Notice of Funding Availability (NOFA), the Developer must allow the County (and/or another public entity) the option to own the land as ground lessor, under a long-term ground lease structure or some other land dedication or subdivision mechanism, that will ensure long-term affordable housing as the primary use of the land for new developments. During the program year, the County secured over 696 units of affordable housing for at least 55+ years, by entering into seven (7) ground lease agreements for seven (7) housing developments. Of the six (6) projects in which the County entered into ground leases during the program year, one (1) is pursuing entitlements, three (3) are under construction, and two (2) projects are in operation.
2. **County-Led Developments:** The County has been working on the acquisitions of properties throughout the County with the intent of making them available for the possible development of affordable and supportive housing. The County also established a Developer Qualified Pool to develop affordable and supportive housing on County-owned public land. During the program year, the County selected a developer for five (5) County-owned sites. Additionally, the County has acquired two (2) new sites for the development of affordable housing in the future. Of these two sites, (1) will serve as an interim housing project prior to being redeveloped.

CR-20 - Affordable Housing 91.520(b)

Evaluation of the jurisdiction's progress in providing affordable housing, including the number and types of families served, the number of extremely low-income, low-income, moderate-income, and middle-income persons served.

Table 11 – Number of Households

	One-Year Goal	Actual

Number of households supported through Acquisition of Existing Units	0	0
Total	57	120

Discuss the difference between goals and outcomes and problems encountered in meeting these goals.

The County exceeded its goal of providing affordable housing units. In addition, the County exceeded its goal of providing emergency repairs through the rehab of existing units.

Rebuilding Together Minor Repair/Maintenance Program: During the program year, Rebuilding Together provided home safety repairs, mobility and accessibility improvements to 49 extremely-low to moderate income owner-occupied homeowners. Repairs were provided at no cost to the households. Through this activity, critical repairs were completed, and the safety of the living environment was improved by eradicating hazardous conditions, producing a more secure, safe, and healthy living environment for homeowners to age in place. The program helps improve the quality of life of aging and/or physically challenged adults and families by providing a suitable living environment

through home maintenance repairs focused on safety, energy efficiency, and accessibility.

Discuss how these outcomes will impact future annual action plans.

Future action plans will continue to reflect the type of success that has been experienced during Program Year 2021. With the Urban County taking an active role in the construction of affordable housing units through the Developer Led Developments and County-Led Developments, there will continue to be an increase in the number of affordable housing units that are in the pipeline.

Include the number of extremely low-income, low-income, and moderate-income persons served by each activity where information on income by family size is required to determine the eligibility of the activity.

Table 13 – Number of Persons Served

Low-income	42	0

Total	120	0

Narrative

Of the people served with affordable housing activities 73 are extremely low-income (26 homeowners and 47 renters) 42 are low-income (19 homeowners and 23 renters), and 5 are moderate-income (4 homeowners and 1 renter).

CR-25 - Homeless and Other Special Needs 91.220(d, e); 91.320(d, e); 91.520(c)

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs:

The OSH in collaboration with the Continuum of Care (CoC) has been making significant efforts to reduce chronic homelessness by conducting outreach to unsheltered people and assessing their individual needs. The County's Office of Supportive Housing is an integral part of all countywide efforts to end homelessness. Programs that are directly managed by the Office of Supportive Housing are the Cold Weather Shelter Program, the HUD-funded Continuum of Care Application Process, and the Uplift Transit Pass Program for the homeless. Key outreach strategies we have implemented include:

Homeless Census

The Homeless Census is an annual countywide collaborative effort to help assess regional homeless needs. The data from the census is used to plan, fund, and implement actions for reducing chronic homeless and circumstances that bring about homelessness. In addition, two formally homeless persons are on the Continuum of Care Board. The Urban County participates with other jurisdictions to conduct a biennial countywide homeless count. The Urban County financially contributed and participated in the most recent countywide Homeless Census survey that took place in 2022.

Coordinated Assessment and Prioritization for Permanent Supportive Housing

The Santa Clara County CoC initiated phase one of the coordinated assessment for all homeless populations in November 2015. Coordinated assessment is a consistent, community wide intake process to match people experiencing homelessness to existing community resources that are the best fit for their situation. The Santa Clara County CoC uses coordinated assessment for all permanent housing programs for people who are homeless in Santa Clara County, including permanent supportive housing and rapid rehousing.

In Santa Clara County's coordinated assessment system, all people who are homeless will complete a standard triage assessment tool (the VI-SPDAT) that considers the household's situation and identifies the best type of housing intervention to address their situation. Permanent housing programs, including permanent supportive housing and rapid rehousing, will fill spaces in their programs from a community queue of eligible households generated from the standard assessment. This coordinated

process will reduce the need for people to traverse the county seeking assistance at every provider separately. Assessments are completed by HMIS partner agencies as part of the standard HMIS intake.

Addressing the emergency shelter and transitional housing needs of homeless persons

The Urban County continued their commitment of reducing and ending homelessness by awarding CDBG funding to the following agencies:

Community Solutions - La Isla Pacifica Shelter. The shelter provided emergency and short term housing, food, counseling, and life skills workshops to 17 very low income women, and their children, who are survivors of domestic abuse.

Family Supportive Housing – San Jose Family Shelter. San Jose Family Shelter assisted 17 individuals and families with children with housing, counseling, and housing search activities. During a family's three month program participation they work on an intensive case plan with an assigned Case Manager which helps them develop skills needed to obtain permanent housing, increase skills, and gain self-sufficiency.

LiveMoves – The Opportunity Center, Palo Alto. LifeMoves assisted 18 individuals with the following services: case management, housing search and placement, and daily living activities, such as meals and laundry.

Evaluate the jurisdiction's progress in meeting its specific objectives for reducing and ending homelessness through reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs:

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income individuals and families and those who are: likely to become homeless after being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); and, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs

The Urban County is committed to helping low-income individuals and families avoid becoming homeless. The Continuum of Care Team has worked with stakeholders to develop a policy for homeless persons who are discharged from publicly funded institutions. The discharge policy has been incorporated into the Santa Clara Countywide Quality Assurance Standards for Homeless Housing & Service Programs. In addition, the Urban County has established a Homeless Hotline that is being utilized as resource for discharge planning. Hospitals are utilizing the hotline since hospital discharges have a priority for shelter beds. In addition, the hotline is utilized by the County's Emergency Psychiatric Services and 24-hour care.

To prevent low-income individuals and families from becoming homeless, the Urban County awarded a CDBG grant to Sacred Heart's Homeless Prevention Program (Activity #1820). The Homeless Prevention program provided 1-1 housing and referral services for 43 unduplicated Santa Clara County households. The program's purpose is to enable low-income residents to maintain housing and achieve long-term stability.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again.

The Urban County also awarded CDBG funds to agencies whose programs assist homeless persons and families make the transition to permanent housing and avoid becoming homeless. These agencies and their programs include:

Family Supportive Housing - Bridges Aftercare Program. The Bridges Aftercare Program extends the support of those residents who transitioned into permanent housing from the San Jose Family Shelter by an additional three months. The families, living in permanent housing for the first time since experiencing homelessness, learn to develop skills that will help them retain housing, such as budgeting, social skills, good tenant practices and healthy living. The program aims to help families gain greater self-determination and transition from homelessness to stable housing.

CR-30 - Public Housing 91.220(h); 91.320(j)

Actions taken to address the needs of public housing

Not applicable, there are no public housing developments in the Urban County.

Actions taken to encourage public housing residents to become more involved in management and participate in homeownership

The Santa Clara County Housing Authority (SCCHA) is proactive in incorporating resident input into the agency's policy-making process. An equitable and transparent policy-making process that includes the opinions of residents is achieved through the involvement of two tenant commissioners, one being a senior citizen, on the SCCHA board.

Actions taken to provide assistance to troubled PHAs

Not Applicable.

CR-35 - Other Actions 91.220(j)-(k); 91.320(i)-(j)

Actions taken to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies affecting the return on residential investment. 91.220 (j); 91.320 (i)

In an effort to ameliorate the negative effects of public policies that serve as barriers to affordable housing, the Urban County has taken an active role to accelerate the production of housing that is eligible for County of Santa Clara Measure A Housing Bond funds. The Urban County is also strategically utilizing County-owned land to increase the number of affordable housing units.

The County has developed two strategies to enhance its ability to use publicly owned land to address the affordable housing needs identified in the plan:

Developer-Led Developments: As part of the County's Housing Bond Notice of Funding Availability (NOFA), the Developer typically must allow the County (and/or another public entity) the option to own the land as ground lessor, under a long-term ground lease structure or some other land dedication or subdivision mechanism, that will ensure long-term affordable housing as the primary use of the land for new developments. During the program year, the County secured over 696 units of affordable housing for at least 55 years, by entering into seven (7) ground lease agreements for seven (7) housing developments. Of the six (6) projects in which the County entered into ground leases during the program year, one (1) is pursuing entitlements, three (3) are under construction, and two (2) projects are in operation.

County-Led Developments: The County has been working on the acquisitions of properties throughout the County with the intent of making them available for the possible development of affordable and supportive housing. The County also established a Developer Qualified Pool to develop affordable and supportive housing on County-owned public land. During the program year, the County selected one (1) developer for a County-owned site. Altogether, the County has selected a developer for five (5) County-owned sites. Additionally, the County has acquired two (2) new sites for the development of affordable housing in the future. Of these two sites, (1) will serve as an interim housing project prior to being redeveloped.

Actions taken to address obstacles to meeting underserved needs. 91.220(k); 91.320(j)

The Urban County works in coordination with non-profit organizations to actively provide a wide variety of countywide housing assistance. These efforts include funding for non-profit builders and local agencies to construct affordable housing and maintain affordable rents. The Urban County is also a significant funder of housing for homeless persons, special needs persons, and seniors. Additionally, the County funds and provides emergency shelters, transitional, and supportive housing for other special needs populations countywide.

Actions taken to reduce lead-based paint hazards. 91.220(k); 91.320(j)

The County of Santa Clara Public Health Childhood Lead Poisoning Prevention Program is a state-funded program aimed at identifying and treating children who are at risk for lead poisoning. Their mission is to identify children with elevated blood lead levels, and to subsequently investigate, find, and remediate the source of lead poisoning if possible. The program works with children from birth to age 21, and involves a multidisciplinary team consisting of a coordinator, a public health nurse, a registered environmental health specialist, and a community worker. Through a coordinated team effort, they provide case management for children who have elevated blood lead levels that meet program requirements, and with collaboration with community partners, they aim to lower blood lead levels of all children in the County.

Actions taken to reduce the number of poverty-level families. 91.220(k); 91.320(j)

The Urban County, in its continuing effort to reduce poverty, will prioritize funding agencies that provide direct assistance to the homeless and those in danger of becoming homeless. Additionally, the Urban County has made a commitment to improve the communication and service delivery capabilities of agencies and organizations that provided programs to assist the homeless.

Historically, the Urban County has provided funding to agencies such as Sacred Heart Community Services, LifeMoves, and Community Solutions, and several other service providers. Although the Urban County is not currently providing direct funding for economic development or job training projects, the funding provided to these agencies is for housing-related services, which are integral components of the total services provided by these agencies that assist in reducing poverty in the Urban County. One of the most important services of these agencies is to help families obtain stable housing and reduce the percentage of their income paid for housing, allowing them to use a greater percentage of their income for other essential goods and services (food, clothing, medical care, etc.)

The services that these agencies provide which will assist in the reduction of poverty include:

- Affordable housing and referral services
- Information and counseling on tenant/landlord issues
- Shared housing counseling and placement
- Counseling, shelter services, and general assistance to very low-income or homeless populations
- Services that address the needs of the frail-elderly, or persons with disabilities
- Services that address the needs of low-income children and their families

Actions taken to develop institutional structure. 91.220(k); 91.320(j)

The Urban County operates within the larger geographical area of Santa Clara County and participates in a number of efforts to coordinate housing and services. For example, the County guides the preparation of the U.S. Department of Housing & Urban Development Continuum of Care (CoC) Funding. The CoC meets regularly, both the subcommittees and as a whole, to improve coordination of homeless prevention services and programs. Multiple jurisdictions, housing developers, and social service providers cooperate on a continuing basis to improve the state of housing and homelessness on a countywide basis. Urban County staff will continue the following collaborative efforts to improve institutional structure:

- Leading monthly meetings with entitlement jurisdictions at the Housing/CDBG Coordinators Group
- Joint jurisdiction RFPs and project review committees
- Coordination on project management for projects funded by multiple jurisdictions
- HOME Consortium between the Urban County and member jurisdictions for affordable housing projects
- The biennial Homeless Census

Actions taken to enhance coordination between public and private housing and social service agencies. 91.220(k); 91.320(j)

The Urban County benefits from a strong jurisdiction and region-wide network of housing and community development partners, such as the CDBG Coordinators Meeting and the CoC. Since March 2020, the CDBG Coordinators group has been meeting with more frequency to coordinate efforts due to the coronavirus pandemic. In addition, the group has expanded to include community partners outside of CDBG entilelement communities to partner on critical efforts that are impacting vulnerable communities. To improve intergovernmental and private sector cooperation, the Urban County will continue to lead coordination efforts and participate with other local jurisdictions and developers in sharing information and resources.

Identify actions taken to overcome the effects of any impediments identified in the jurisdictions analysis of impediments to fair housing choice. 91.520(a)

The Urban County continues to use CDBG entitlement grant funds to contract and partner with local non-profit agencies for services including enforcement activities with regard to fair housing.

CR-40 - Monitoring 91.220 and 91.230

Describe the standards and procedures used to monitor activities carried out in furtherance of the plan and used to ensure long-term compliance with requirements of the programs involved, including minority business outreach and the comprehensive planning requirements

The Housing and Community Development (HCD) Program of the OSH Department has developed a Monitoring Plan to address the various financial and programmatic monitoring requirements of the different HCD programs. In addition to on-site monitoring, the Plan requires funded agencies to submit quarterly reports on the status of their projects. Project reimbursement requests are held until quarterly reports are current and approved by the Program Manager. Projects that are not substantially meeting contract goals are discussed for possible action. Projects that continue to fall behind meeting goals could be subject to withholding reimbursement until corrective action is productive. In addition, the Urban County will monitor agencies that have been awarded CDBG-CV funds and check for additional documentation such as self-certification forms to determine client eligibility and ensure there is not duplication of benefits. Similar to the monitoring plan for CDBG, reimbursement requests for CDBG-CV funded agencies are held until quarterly reports are current and approved by the Program Manager. Projects that are not substantially meeting contract goals are discussed for possible action. Lastly, projects that continue to fall behind meeting goals could be subject to withholding reimbursement until corrective action is productive.

The Urban County monitors the HOME Program annually by selecting a sample of HOME-assisted units for property inspection and a request to the funded agency for verification of tenant's income and rental data. The units to be inspected are drawn from a sample of 10 percent of the HOME-assisted units. Deficiencies are noted by the County's Asset management Team and follow up inspections are made to verify that the recommended corrections were made. As part of the Urban County's annual HOME monitoring, HOME rental projects consisting of five or more HOME-assisted units will be reviewed for affirmative marketing. An evaluation is prepared for each of the affirmative marketing plans for the effectiveness of leasing vacant units.

PREGUNTAS Y RESPUESTAS: NATHALIE EMMANUEL Y *THE INVITATION*

La actriz principal del nuevo thriller de vampiros habla de las pruebas de ADN, de aprender cerámica y de por qué siempre deberías llevar a un amigo a una boda

Arturo Hilario
El Observador

En los últimos años, la actriz Nathalie Emmanuel ha visto a los grandes Dragones Westeros en *Juego de Tronos* como Missandei, la ayudante favorita de los fans de Daenerys Targaryen, y ha proporcionado la magia tecnológica a Dominic Toretto y al equipo como Ramsey en las tres últimas películas de éxito de *Fast and the Furious*.

Ahora Emmanuel tiene la oportunidad de brillar como protagonista de una historia gótica de intrigas, vampiros y bodas que salen mal. *The Invitation* se estrena esta semana e invita al público a un viaje a una remota finca británica para ser testigo del drama y el horror que hay detrás de una familia muy unida que no es lo que parece.

En la película, el personaje de Emmanuel, Evie, se somete a una prueba de ADN que le lleva a descubrir que tiene raíces en Inglaterra, en una antigua familia de dinero. Uno de sus primos perdidos le envía un mensaje a través de la aplicación de ADN, pidiéndole que se ponga al día, y más tarde se reúne con ellos en persona para invitarla personalmente a una especie de reunión familiar, una boda "para las edades" en Inglaterra.

Lo que sigue es que Evie intenta adaptarse a sus parientes recién conocidos en los días previos a la gran boda, y cómo sus crecientes sentimientos de alienación y sospecha son una señal de advertencia de los secretos que se guardan tras las puertas cerradas de la finca.

Recientemente, Emmanuel tuvo la amabilidad de hablar sobre la película, y en la siguiente entrevista desglosa cómo aprendió a crear cerámica con un famoso artista londinense de su calle, por qué es fan de las películas de terror y lo que le sorprendió descubrir en los resultados de las pruebas de ADN familiares.

Para empezar, me gustaría saber si ¿Tú o alguien de tu familia se ha sometido a una prueba de ADN? Y si es así, ¿han descubierto algo interesante con ello?

Sí, alguien de mi familia se hizo una prueba de ADN. No lo he hecho personalmente, pero era alguien que estaba estrechamente relacionado, así que mucho de ello se aplicaba a mí. Y fue realmente interesante. Aprendimos mucho, porque mi familia tiene ascendencia a través del Caribe, a través de las Indias Occidentales, y a través de Santa Lucía y Dominica, y estábamos aprendiendo acerca de nuestra historia antes de Dominica, como, donde nuestra ascendencia vino de la costa oeste de África.

Así que está la historia de la gente esclavizada que fue traída. Y supongo que para muchas antiguas colonias, a menudo reclamamos nuestra isla, pero obviamente hay toda una historia antes de eso. Así que tuvimos que aprender un poco sobre qué parte de África era nuestra ascendencia, lo que fue realmente sorprendente y surrealista.

¿Cómo fue el rodaje de este sombrío thriller gótico en esta finca?

Los exteriores de la casa, localizada a un par de horas de Budapest, era una casa increíble. La mayoría de los decorados interiores se construyeron, pero luego tuvimos una especie de sótanos subterráneos y también la escena de la cena de ensayo que se filmó en la casa. Pero utilizamos muchos de los exteriores. Y, sí, es una casa impresionante, pero también tiene una especie de presencia ominosa, también. Así que es como otro personaje de la película.

¿Eres fan de las películas de terror/thriller en general?

Sí, lo soy. Soy una gran admiradora del tipo de narración llena de suspenso y de combustión lenta. Creo que es una forma divertida e inteligente de contar una historia. Y, ya sabes, estás tan comprometido porque estás, como, tratando de averiguar dónde va a venir el susto o de dónde va a venir el peligro. Me encanta ese tipo de naturaleza interactiva.

Y siempre es genial ver cosas así con un grupo porque, ves, algunas personas son como, "oh, no, va a ser ese tipo", y no es ese tipo, o "algo va a saltar de ahí", y es como, no la cosa que crees que va a ser. Y me encanta eso, experimentar la paranoia de todos como un colectivo. Es muy divertido.

¿Puedes hablarme un poco de tu personaje de Evie y de la situación en la que se encuentra al principio de la película, que la impulsa a poner en marcha la historia?

Cuando conocemos a Evie, es una artista en apuros

en Nueva York. No es de Nueva York. Está allí por su cuenta, realmente. Ha perdido recientemente a su madre en una larga batalla contra el cáncer, así que todavía está de duelo. Perdió a su padre cuando era joven. Ella solo está sobreviviendo, está muy, muy sola. Tiene a su amiga, su mejor amiga, pero en realidad, anhela tener contactos.

Así que ella anhela algo. Está buscando una red de apoyo, una comunidad, y realmente no tiene esa red de apoyo familiar. Y cuando tiró los dados para decir: "Voy a hacer esta prueba de ADN que me dieron al azar en una bolsa de regalos", resultó ser

más de lo que pensaba. Ella no lo esperaba. Y entonces ella tiene esta especie de dilema de, "¿Debo ir?, ¿Debo explorar esto o no?"

Pero creo que donde está, está muy triste, muy sola, y Oliver, su especie de primo perdido, se lo pone muy fácil y tan cálido y encantador y acogedor. Y eso es todo lo que ella necesitaba en ese momento.

Y, en cierto modo, se aprovechan de su vulnerabilidad en esta obra, lo que la empuja a ponerse en la situación que acaba saliendo terriblemente mal.

¿Y tuviste alguna inspiración que te ayudó a formar la representación que terminaste teniendo para tu personaje?

¿Tuve alguna inspiración? Lo primero fue decir: "Necesito saber de qué se trata esto de la cerámica". [Los que] van y lo hacen con éxito y lo hacen bien, es mucha dedicación. Es una forma de arte muy dura, me pareció increíblemente frustrante. Así que el hecho de que alguien lo haga tan bien como Evie y tenga tanto talento como ella, es una verdadera apreciación de la forma de arte, sin duda.

Y otras inspiraciones para el papel, definitivamente escuché algunos podcasts sobre el tipo de arte negro americano, y aprendí sobre el tipo de historia de algunos de ellos y el legado de las mujeres en el mundo del arte. Y ella es en gran medida como parte de una familia artística. Y en términos de lo que me inspiró y me ayudó a crearla, definitivamente encontré piezas de arte e imágenes que puse en collages. Tenía un libro de collages sobre su familia y sobre las cosas que le gustaban, su mundo artístico, dónde vivía, y cosas para formar el personaje en mi mente antes de conocerla.

Y, sí, el tipo de legado de, como, madres y abuelas y femenino, supongo, divino femenino, tenía un montón de imágenes alrededor de eso.

Eso es maravilloso. ¿Llegaste a hornear alguna pieza de cerámica tú misma?

Sí, tuve clases durante un tiempo. Tuve un maravilloso profesor en Londres llamado Ronaldo Wiltshire. Estaba en un programa llamado *The Great Pottery Throw Down*. ¿Sabes qué? Jess, el director, me envió un artículo sobre ceramistas negros en Londres. Y vi su nombre, y pensé, "¿Sabes qué? Quiero averiguar si da clases".

Y resultó que su estudio estaba a seis minutos a pie de mi casa, y fue tan extraño. Y cuando me enviaron la información sobre dónde estaba, me dijeron: "Oh, debe ser por eso que te pusiste en contacto con él". Y yo dije, "No, no sabía dónde estaba".

Cuando recibí la información sobre el lugar al que tenía que ir para mi clase, estaba a seis minutos a pie de mi casa, y me pareció tan bien. Y yo estaba como, "Oh, Dios mío. Esto es increíble". Y era un profesor brillante. Y realmente hice algunas piezas. De hecho, hice algunos tazones, que están en mi mesa de la cocina ahora, y uno de los cuales guardo mis llaves, y otro pongo mis joyas a veces cuando me estoy lavando las manos o lo que sea.

Así que, sí, tengo un par de cosas. No son muy buenas, pero son mías y estoy orgullosa de ellas.

Bueno, muchas gracias, Natalie. Aprecio mucho la plática. Última pregunta, ¿Qué esperas que la gente se lleve después de ver *The Invitation*?

Bueno, espero que se diviertan. Espero que sea como el miedo de una manera divertida. Creo que es una buena película para ver con tus amigos, pero espero que la gente se lleve lo que creo que es el viaje de Evie, que la fuerza que quizás no sepas que existe dentro de ti, está ahí. Puedes encontrarla, puedes acceder a ella y me encanta eso de ella y de esta historia. Y quizás no debas visitar a personas que no conoces. Y si lo haces, ¿Tal vez llevar a un amigo o dos?

Sí, enviar el pin para que la gente sepa dónde estás.

Sí, sólo, ya sabes, no hagas eso. No vayas a una boda de destino por tu cuenta.

Tình hình Ukraine xuyên qua thông điệp của TT Zelenskiy

Th ó n g Đ i ệ p Zelensky: Ukraine sẽ Tái Sinh Sẽ Lấy Lại Crimea và Các Nơi Bị Mất
Kiev.-Ngày 25 tháng 8, 2022 theo Hãng tin Reuters

Trong bài phát biểu xúc động nhân dịp Quốc khánh Ukraine (24-8) - ngày đánh dấu 31 năm Ukraine tách khỏi Liên Xô năm 1991, Tổng thống Ukraine Volodymyr Zelenskiy nói với người dân nước này rằng sinh vào ngày Nga phát động "chiến dịch quân sự đặc biệt" ở Ukraine 24-2 năm nay. "Một quốc gia mới (tức chỉ Ukraine) đã xuất hiện trên thế giới vào lúc 4h sáng 24-2-2022. Quốc gia đó không được sinh ra, mà là tái sinh. Một Quốc gia không khóc, không la hét hay sợ hãi. Một quốc gia không trốn chạy và không bỏ cuộc" - ông Zelenskiy cho biết. Nhà lãnh đạo 44 tuổi nói thêm: "Điều gì đối với chúng tôi là kết thúc của chiến tranh? Chúng tôi từng nói rằng đó là hòa bình. Nhưng bây giờ đối với chúng tôi, đó là một chiến thắng". Người dân Ukraine đang đánh dấu Ngày Quốc khánh trong bối cảnh các biện pháp an ninh thắt chặt vì lo ngại các cuộc tấn công mới của Nga. Phát biểu của ông cũng được đưa ra vào thời điểm tròn 6 tháng kể từ khi chiến sự Ukraine nổ

ra. Ông còn tuyên bố Ukraine sẽ chiếm lại bán đảo Crimea (Nga sáp nhập năm 2014) và các khu vực ở miền đông Ukraine hiện bị Nga tạm chiếm. Các con đường ở trung tâm thủ đô Kiev vắng vẻ bất thường vào sáng 24-8, sau những cảnh báo về khả năng Nga có thể tiến hành các cuộc tấn công phi đạn khác vào các thành phố lớn của Ukraine. Căng thẳng lên cao đặc biệt sau các vụ nổ ở Crimea do Nga chiếm đóng và vụ ám sát nhà bình luận chính trị Nga sẽ có khoản viện trợ quân sự 54 triệu bảng cho Ukraine với khoảng 200 drone được chuyển tới để cải thiện trình sát tầm xa và nhằm mục tiêu phòng thủ. Gói viện trợ này cũng có 850 drone loại nhỏ để dùng tại các thị trấn và làng mạc nhằm phát hiện hướng di chuyển của quân địch.

Phủ thủ tướng Anh dựng cổng hoa hướng dương để ủng hộ Ukraine. Trong suốt lịch sử Ukraine, hoa hướng dương được sử dụng như một biểu tượng hòa bình, theo tờ Time. Những bình luận này được chia sẻ bởi Chủ tịch Ủy ban EU Ursula von der Leyen, người nói rằng châu Âu đồng hành cùng Ukraine "hôm nay và về lâu dài" Chủ tịch Nghị viện châu Âu Roberta Metsola cho biết thêm EU "sẽ không ngừng ủng hộ nền độc lập của Ukraine và cuộc chiến đấu dũng cảm chống lại sự xâm lược bất hợp pháp của Nga". Trong khi đó Thủ tướng Đức Olaf Scholz nói rằng trái tim của đất nước ông đang hướng về Ukraine ngày hôm nay khi nước này kỷ niệm Ngày Độc lập trong một "hoàn cảnh khủng khiếp". Ông cùng với các nhà lãnh đạo từ khắp châu Âu chúc Ukraine có một Ngày Độc lập vui vẻ, bao gồm các tổng thống Phần Lan, Latvia, Lithuania và Moldova và các bộ trưởng ngoại giao ở Ba Lan và Thổ Nhĩ Kỳ. Thủ tướng Australia Anthony Albanese cho biết sự ủng hộ của ông vẫn "dứt khoát và kiên định" và bắt nguồn từ niềm tin rằng luật pháp quốc tế phải được ưu tiên để bảo vệ chủ quyền của tất cả các quốc gia. Đúng ngày Quốc Khánh Ukraine 24/08/2022 và tròn 6 tháng Nga xâm lược Ukraine, chính quyền Mỹ thông báo một khoản viện trợ quân sự mới khoảng 3 tỷ đô la cho Kyiv. Đây là khoản viện trợ quân sự lớn nhất của Mỹ kể từ đầu cuộc chiến Ukraine. Theo một quan chức ẩn danh của Bộ Quốc Phòng, được AFP trích dẫn, khoản viện trợ này được xuất từ ngân sách của bộ Quốc Phòng Mỹ và có thể được sử dụng

cho những chiến dịch trực tiếp hoặc mua vũ khí. Gói viện trợ này khác với ngân sách cho phép tổng thống Joe Biden ra lệnh xuất kho ngay lập tức các loại quân bị để chuyển cho Kyiv. Trước đó, ngày 19/08, bộ Quốc Phòng Mỹ cũng xuất quỹ 775 triệu đô la để mua thêm hỏa tiễn cho hệ thống HIMARS viện trợ cho quân đội Ukraine.

Kể từ đầu cuộc chiến, Hoa Kỳ là nước hỗ trợ lớn nhất cho Ukraine về tài chính, cũng như quân sự và chính trị. Thông tin viên RFA Guillaume Naudin tại Washington tường thuật : "Tổng thống Joe Biden không để lỡ cơ hội nhắc lại rằng Mỹ và các đồng minh sát cánh với Ukraine chống cuộc xâm lược do tổng thống Vladimir Putin phát động.

Sự ủng hộ của Mỹ được thể hiện qua nhiều cách. Trước tiên, đó là vì Washington đã chọn phe rất rõ qua việc tiến hành các biện pháp trừng phạt quốc tế nhằm vào Nga và những người thân cận với điện Kremlin. Dù hiệu quả của các biện pháp này còn phải chờ đánh giá, nhưng dấu sao đó vẫn là những biện pháp nghiêm khắc nhất chưa từng được ban hành. Ngoài các biện pháp trừng phạt, phải kể đến viện trợ tài chính cho Ukraine, thông qua hai kênh.

Hơn 7 tỷ đô la viện trợ trực tiếp được Washington hứa vào tháng 05 đã được chuyển dần cho Kyiv. Hoa Kỳ cũng là nhà cung cấp tài trợ chính cho Ngân hàng Thế Giới với hơn 4 tỉ đô la. Thêm vào đó là viện trợ về quân sự. Nếu Mỹ không trực tiếp tham chiến, nhưng Washington đã cung cấp hơn 10 tỷ đô la vũ khí, đặc biệt là về hỏa tiễn và pháo ngày càng hiện đại hơn, bất chấp nguy cơ leo thang căng thẳng.

Cuối cùng là sự hỗ trợ chính trị, được ủng hộ tuyệt đối. Tại một đất nước bị chia rẽ sâu sắc, trừ vài tiếng nói cô lập, chắc chắn Ukraine là chủ đề được tất cả mọi người nhất trí.

Vào tháng 05, với 86 phiếu thuận và 11 phiếu chống, Thượng Viện Mỹ đã thông qua một gói hỗ trợ trị giá

40 tỷ đô la. Điều đó có nghĩa là ngân sách của Mỹ dành cho Ukraine Vẫn còn rất lớn".

Tại cuộc họp thượng đỉnh Crimea Platform, diễn ra ngày 23/08, tập hợp các nước ủng hộ Ukraine, tổng thống Pháp Emmanuel Macron kêu gọi cộng đồng quốc tế không được "yếu đuối" hay "có ý thỏa hiệp" với Nga, đồng thời yêu cầu Moscow "ngừng các hành động thù nghịch", rút hết quân khỏi Ukraine và chọn con đường ngoại giao để xây dựng hòa bình.

Để thể hiện ủng hộ Kyiv lâu dài, nhiều nước thông báo tăng thêm viện trợ quân sự, theo các hãng tin AFP và Reuters. Ngày 23/08, Đức thông báo sẽ giao thêm khoảng 500 triệu euro vũ khí cho Kyiv, bắt đầu từ năm 2023, gồm 3 hệ thống phòng không Iris-T, khoảng 12 xe tăng sửa chữa, 20 bộ phóng rocket lắp trên xe bán tải, thiết bị chống drone.

Na Uy và Anh đồng viện trợ drone cỡ nhỏ Teledyne Flir Black Hornet trị giá 9,26 triệu đô la, nhằm trinh sát và nhận dạng mục tiêu.

Theo NHK, để tiếp tục ủng hộ Ukraina, Nhật Bản duy trì áp đặt các lệnh trừng phạt đối với Moscow và đồng minh Belarus. Chính quyền Tokyo cho biết đã hỗ trợ kinh tế cho Ukraine và giúp nước này tái thiết cơ sở hạ tầng bị tàn phá vì chiến tranh.

Trả lời phỏng vấn RFI, tướng Pháp Dominique Trinquat nhận định về mục tiêu thu hồi lãnh thổ của tổng thống Ukraine : "Đối với tổng thống Zelenskiy tuyên bố muốn thu hồi lại toàn bộ vùng lãnh thổ bị Nga xâm chiếm, thì đó không chỉ là những vùng mới bị Nga chiếm giữ gần đây, mà còn cả những nơi đã bị quân Nga Xâm chiếm từ hồi năm 2014, bao gồm cả bán đảo Crimée. Sau nỗ lực hòa giải đầu tiên diễn ra ở Istanbul, Thổ Nhĩ Kỳ nhưng không thành công, người ta đã hiểu rằng có thể sẽ có những sự nhượng bộ về lãnh thổ, nhưng hiện giờ tổng thống Zelenskiy đề ra mục tiêu tối đa là giải phóng

toàn thể các vùng lãnh thổ.

Đó là nội dung trong bài phát biểu của tổng thống Zelenskiy, còn trên thực địa, đà tiến của Ukraine lại rất chậm. Mỗi bên tham chiến đều tìm cách chiến thắng nhiều nhất có thể trước khi mùa đông đến, bởi vì kể từ tháng 11 chắc chắn các hoạt động sẽ bị chậm lại". Chính quyền Ukraine đã cấm người dân hôm nay tụ tập công khai ở thủ đô vì lo ngại nguy cơ Nga lại tấn công Kyiv bằng hỏa tiễn. Nhà chức trách kêu gọi người dân trong cả nước giữ tinh thần cảnh giác và xuống hầm trú ẩn trong trường hợp có còi báo động phòng không.

Ở Kyiv, trong sáng hôm nay đã có 2 hồi còi báo động vang lên. Mục tiêu của Nga tại những vùng chiếm đóng ? Từ Moscow, thông tin viên Anissa El Jabri giải thích «Trên lý thuyết, mục tiêu đặt ra rất rõ ràng, và hơn nữa cũng đã được thể hiện rõ quá nhiều tấm bảng tuyên truyền của chính quyền Mariupol tại Melitopol: "Nước Nga hiện diện mãi mãi ở đây".

Những vùng lãnh thổ này có khả năng trở thành một phần lãnh thổ thuộc Nga. Mặt khác, quân đội Nga, trong chuyến tham quan báo chí được tổ chức tại những vùng lãnh thổ đó, đã thường xuyên để các phóng viên thấy cảnh người dân nhận hộ chiếu Nga. Phương pháp do chính quyền thân Putin tại chỗ đưa ra rất có thể sẽ là tổ chức trưng cầu dân ý. Câu hỏi đặt ra : Khi nào sẽ có trưng cầu dân ý ? Liệu Nga có muốn tổ chức ngay khi đã chiếm được toàn bộ vùng Donbass hay không ? Hiện tại, tổng thống Vladimir Putin chưa hé lộ chút ý định nào của ông và không một tuần nào trôi qua mà thủ phủ của nước cộng hòa ly khai thân Nga Donetsk không bị Ukraine oanh kích đến tận trung tâm thành phố. Nhưng tâm trạng lo lắng đã xuất hiện và nhiều người tại Ukraine dự đoán sự trả đũa dữ dội từ Nga trong những ngày tới vì một loạt các biến cố và những tiền đề chưa có lời giải. Họ chỉ ra hàng loạt vụ (Xem tiếp trang A12)
