

2023 SANTA CLARA COUNTY

Homeless Point-in-Time Count
Tuesday and Wednesday, January 24th and 25th
5:00am - 10:00am

WHAT WILL YOU BE DOING?

Volunteers are an integral part of the Point-in-Time Count effort; they help support a robust and accurate collection of data on our neighbors experiencing homelessness.

Volunteers will work in teams to conduct a visual tally of persons experiencing homelessness across Santa Clara County on **Tuesday and Wednesday, January 24th and 25th**.

Teams will work together from **5:00am to 10:00am**, meeting their team members either at a central deployment center location (listed below) or a convenient location before walking/driving their assigned routes and aiding with data collection.

Volunteers are asked to bring their vehicles to use in the count if they are able.

We cannot conduct this count without you, the community!
