# Community agreements and why they are important

In the meeting on Dec 7<sup>th</sup> we discussed what group agreements we would like to have together.

# Community Agreements

- Create Authentic and Trusting Spaces for Young Leaders to Lead
- Take space, leave space
- Seek to understand both intent and impact.
- Push to think outside the box and inquire with grace and kindness
- Active participation & active listening.
- Talk about it and Be about it – moving to action
- Conceive of call ins as an act of love and accountability
- Listen to understand and not just respond
- This is a community-led, collaborative decision-making process
  - Acknowledge & honor that equity conversations require emotional labor for people of color and LGBTQ folx.
  - Acknowledge & honor that there is emotional labor required of people with lived expertise in these conversations. ***Use person first language***

**Statement of  
Need**

# What is a Statement of Need?

**Describes the experiences of youth homelessness in your community and establishes the reasons why the community must work to prevent and end youth homelessness**

# AT A MINIMUM, THE STATEMENT OF NEED MUST INCLUDE:

1. A numeric estimate for the following populations in the geographic area:

***A) UNACCOMPANIED YOUTH AT RISK OF HOMELESSNESS***

***B) UNACCOMPANIED YOUTH EXPERIENCING HOMELESSNESS***

***C) PREGNANT OR PARENTING YOUTH AT RISK OF HOMELESSNESS***

***D) PREGNANT OR PARENTING YOUTH EXPERIENCING HOMELESSNESS***

# AT A MINIMUM, THE STATEMENT OF NEED MUST INCLUDE:

2. A description of needs of at-risk or youth experiencing homelessness regarding:

**A) HOUSING**

**B) EDUCATION**

**C) EMPLOYMENT**

**D) SOCIAL & EMOTIONAL WELL-BEING**

# Our Community: Santa Clara County

# **A conversation grounded in Social Justice:**

- **A fair equitable distribution of power, resources, and obligations in society to all people, especially those from marginalized populations**
- **A Goal of finding sources of injustice and dismantling those barriers**

# Santa Clara County is Diverse

- County population: 1,936,259 (2020 Census)
- The largest city, San Jose (half the population), is the 10<sup>th</sup> most populous city in the Country
- A large amount of the county's land area is unincorporated ranch and farmland, over 92% live in cities

# **55% of residents speak languages other than English - (54.3%)**

- **32.5% Spanish speakers**
- **17.9% are Chinese speakers (Mandarin, Cantonese)**
- **12.4% are Vietnamese speakers A**

**County of Santa Clara ranks 8<sup>th</sup> in California in the diversity index with a 69.7%**

**Top five religiously diverse counties in the country**

**Racial and ethnic groups are generally concentrated in certain parts of SCC**

# Great Wealth

- The third highest GDP per capita in the world
- The most affluent county on the West Coast of the United States and the most affluent outside the Washington metropolitan area
- One of the highest Median incomes in the country - \$133,076 (Census Bureau ACS 5-year estimate, 2019)

# Large Inequalities

A family of four needs an annual income of \$138,742 to meet basic needs (Insight Center)

28% of households do not get paid enough to make ends meet  
Accounting for inflation, the cost of basic expenses rose by 23% between 2018 and 2021

## Affordable & Available Rental Homes "Per 100 Renter Households"

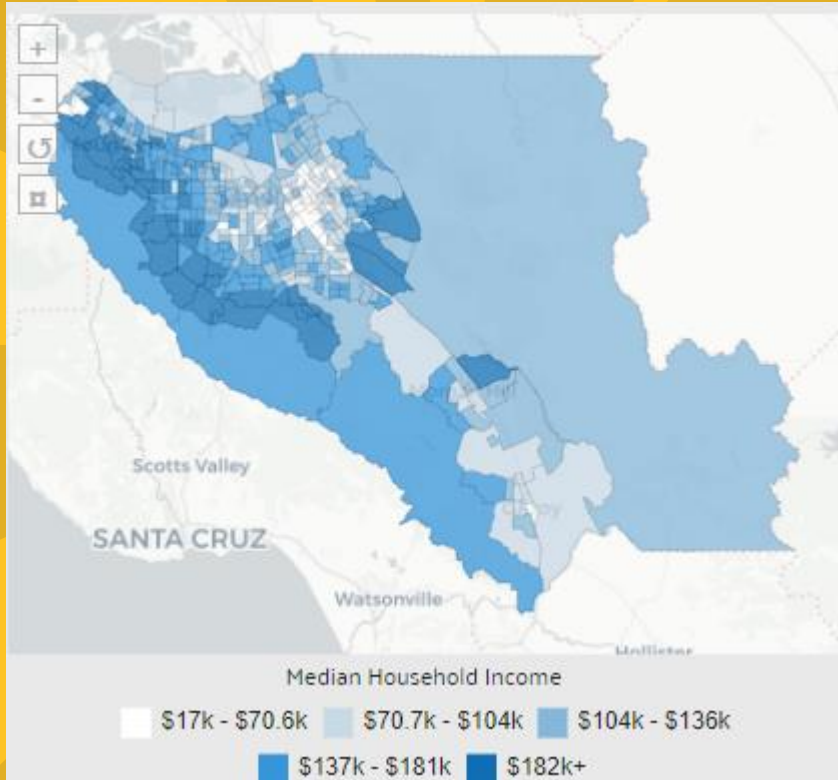

San Jose Metropolitan Area: 2018

# Inequalities Cont'd

- Many Santa Clara County households fall below the self-sufficiency standard but may not fall below the FPL, so don't qualify for public assistance or subsidies
- Households of color make up 66% of the total population in Santa Clara County but comprise 77% of the households struggling to meet their basic needs.

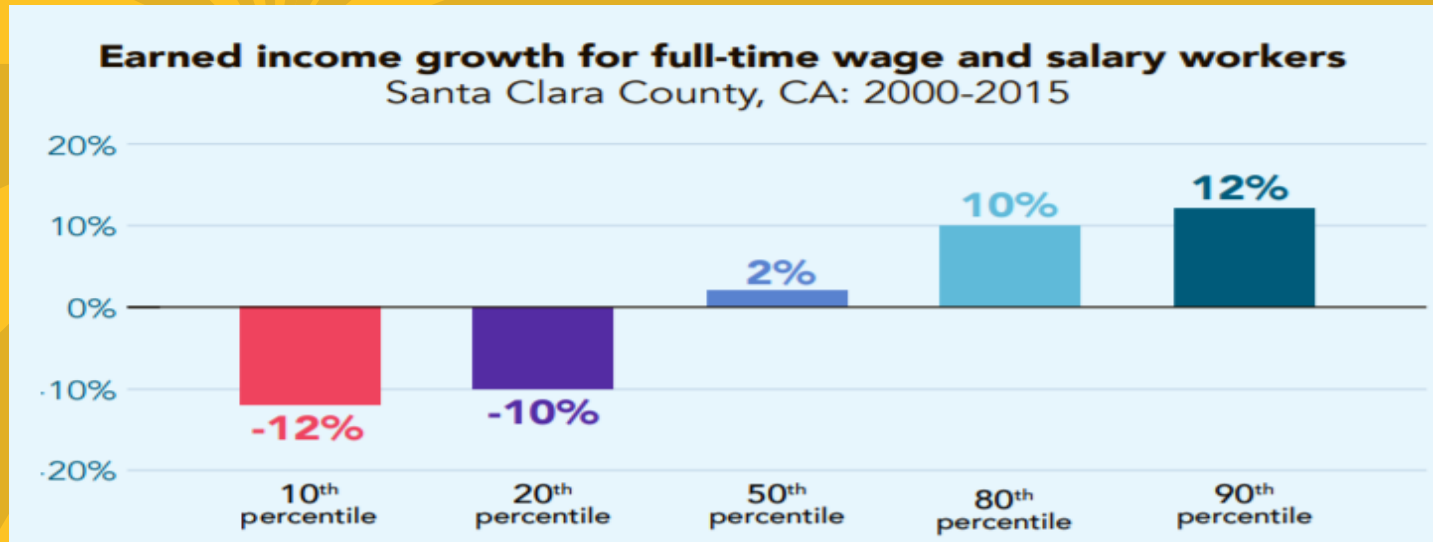

# Inequalities Cont'd

- Fair Market Rate for rent in SCC is more expensive than 99% of the rest of the country
- East San Jose has some of the highest rates of low-income residents
- Significant Education attainment disparities across race/ethnicity

# ECONOMIC GROWTH

Economic growth in the Silicon Valley has failed to benefit low-income families, and the income gap within Santa Clara County has steadily increased.

# COVID Impact on the Community Plan 2020-2025

The COVID public health crisis has ground our local economy to a halt, leaving many more households on the brink of homelessness due to job loss, lack of childcare, and economic uncertainty.

This income inequality has been further exacerbated by the economic slowdown pushing many into financial crisis and towards the edge of homelessness:

- Income declined by 2/3
- Average income: \$1,000/month. Average rent \$1,700/month
- Back rent owed averaged \$5,000

**Breakout  
Groups**

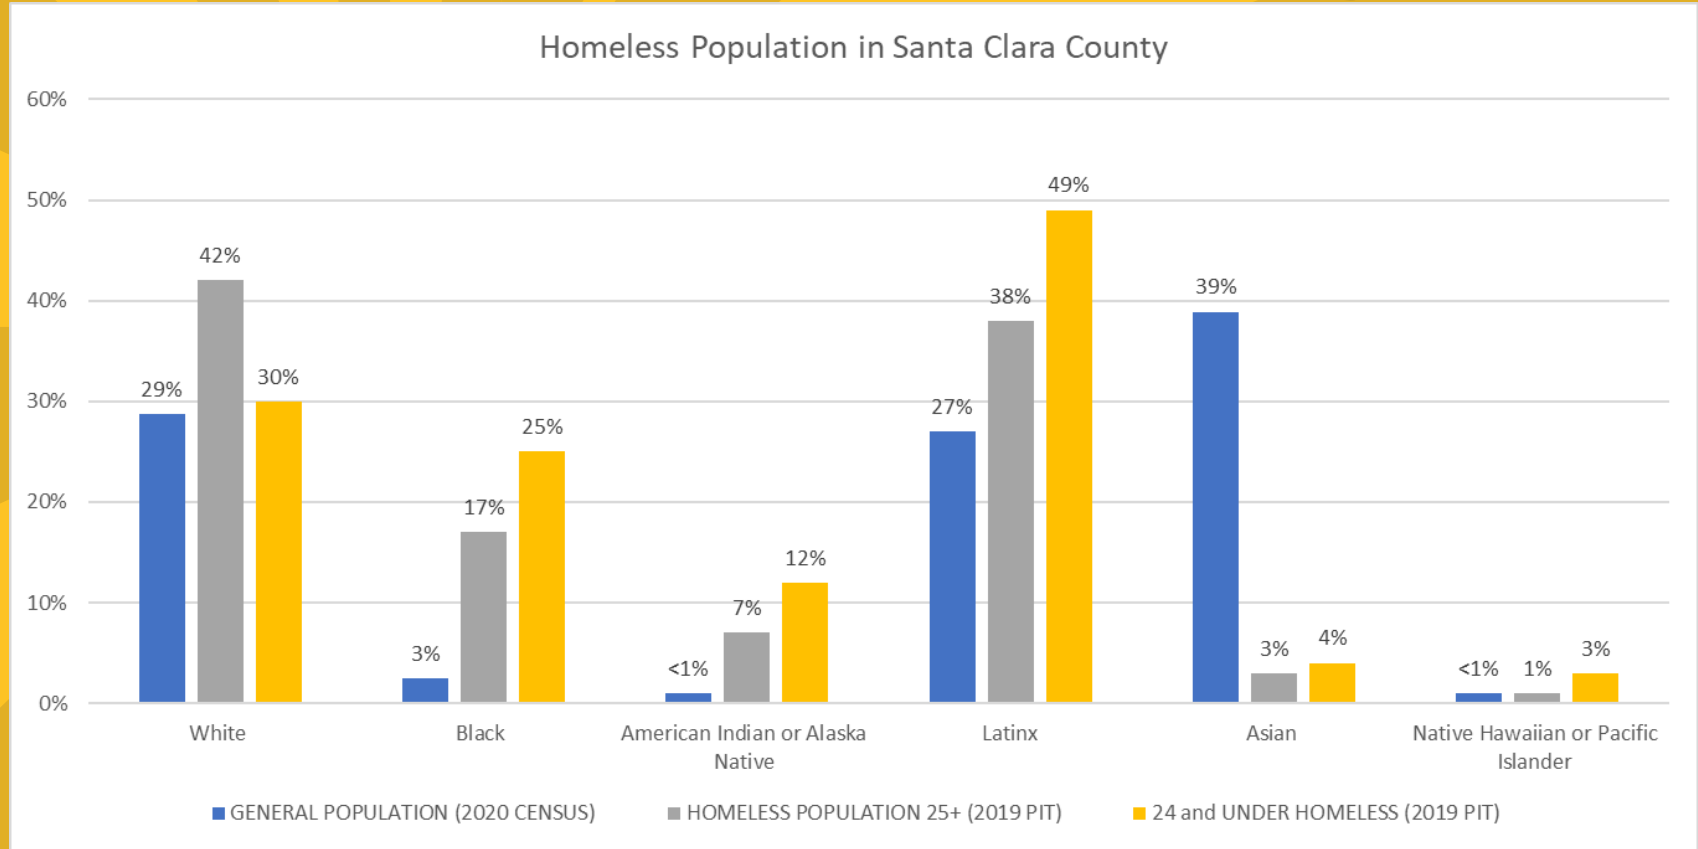

Why does looking at the history and demographics of our community matter?

What does it mean to have a social justice lens when looking at housing issues?

What are the questions you have about youth and young homelessness in Santa Clara County?

# Youth/Young Adult Homelessness in Santa Clara County

# Youth/Young Adult Homelessness in Santa Clara County

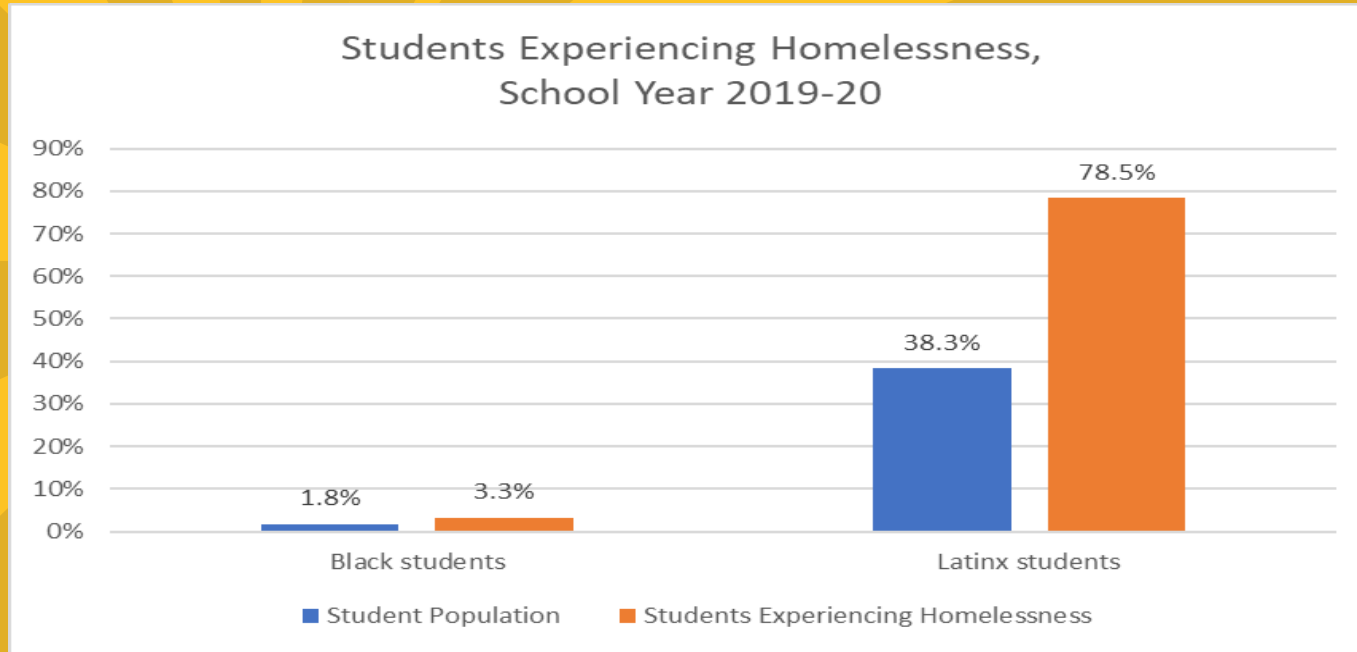

Youth/Young Adults in 2019 PIT Count:

- 1,876 youth identified in the 2019 PIT count (19% of the total homeless population of 9706)
- Homeless youth are 70% youth of color
- 30% identify as LGBTQ+
  - 9% identify as transgender or gender non-conforming
- 42% self reported a history of being in foster care
- 27% of youth in HMIS reported having been incarcerated before turning 18

# Students Experiencing Homelessness

- McKinney-Vento expands the definition of homeless to include students who are living in temporary housing situations such as doubling up with family members, couch-surfing, or staying in a hotel.
- Kids in Common Report (The 2021 Santa Clara County Children's Data Book) indicates that in the school year 2019-2020, 2,899 students were identified as homeless
- 2,276 of these students identified as Latinx

# Students Experiencing Homelessness

- Also, 44% of community college students that BWC surveyed indicated that they were homeless

# 2019 PIT COUNT

- 95% youth identified in 2019 PIT count were unsheltered.

## 2019 Sheltered/ Unsheltered Population\*

## Subpopulation\* Data\*

# Self reported contributing factors to experiencing homelessness

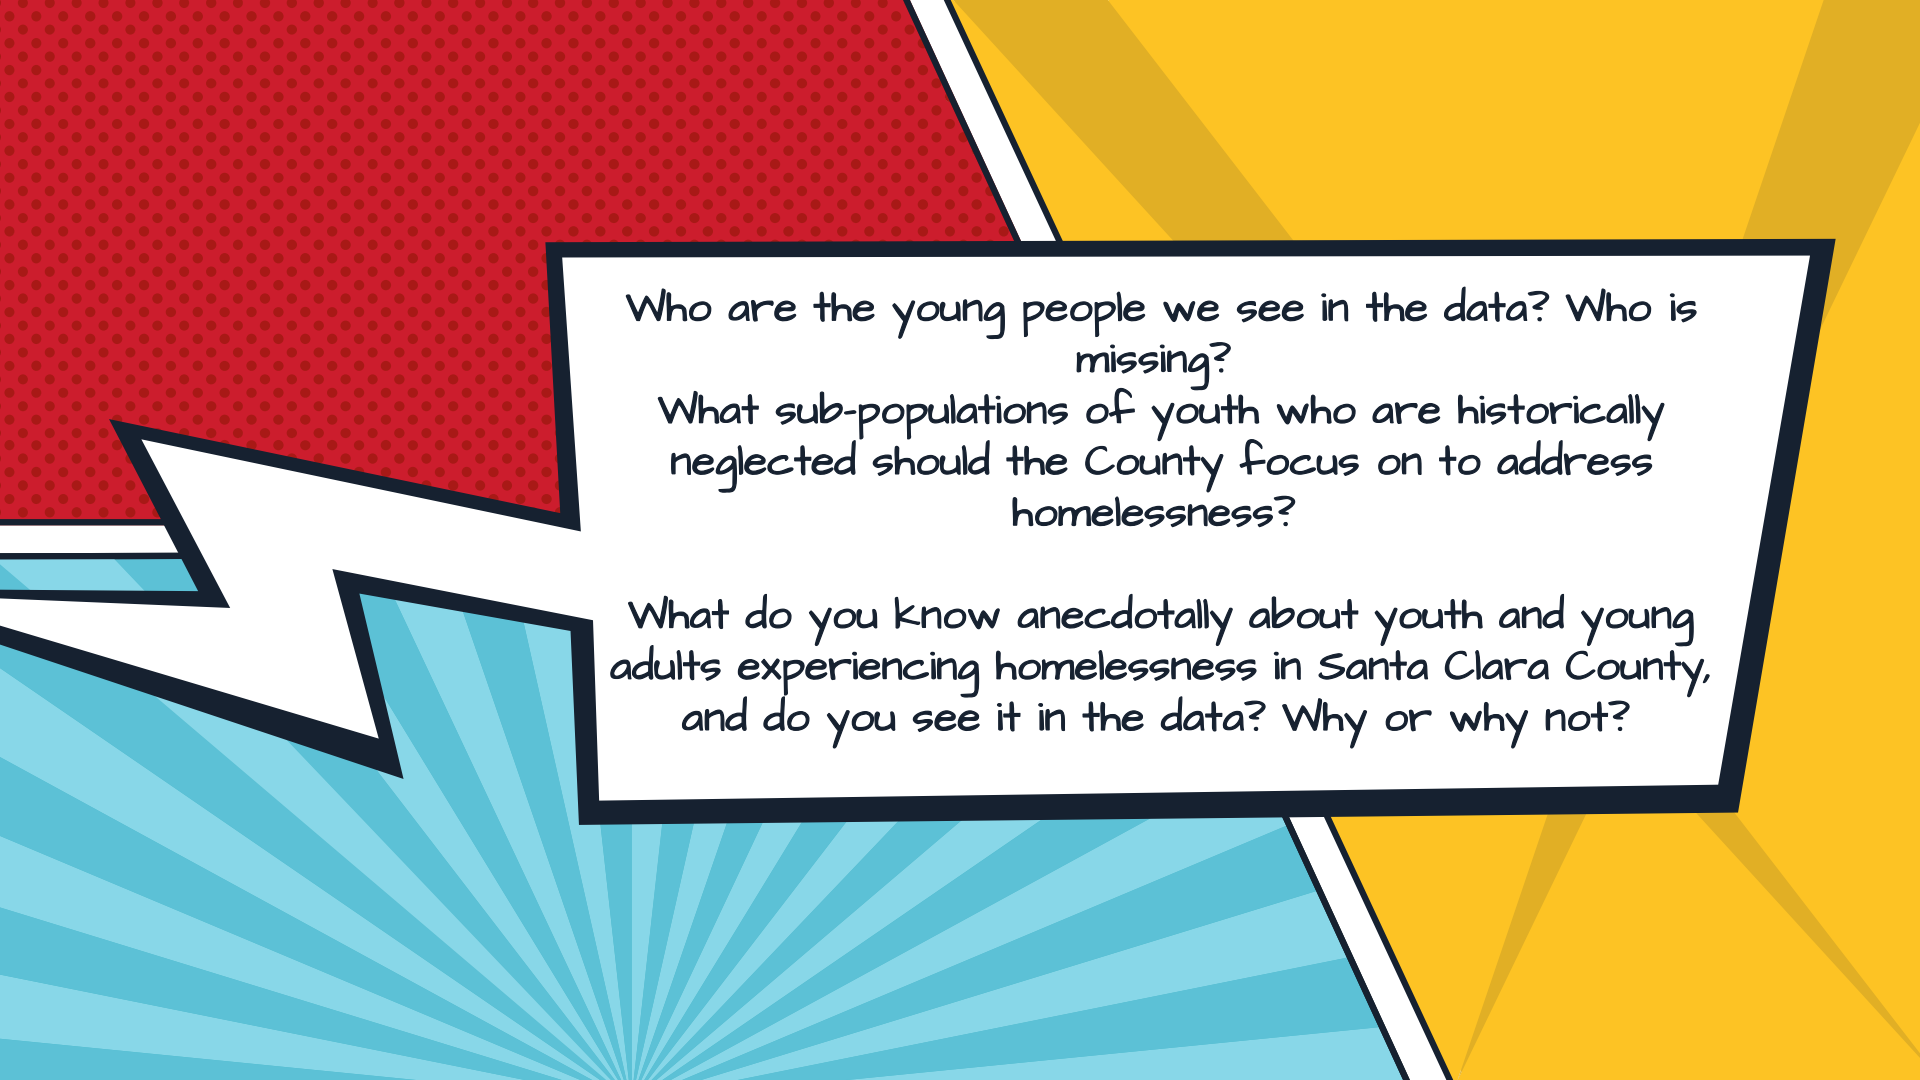

- kicked out or running away from the family home (55%) (a)
- family homelessness (13%) (a)
- interpersonal conflicts (25% for all, 51% for Black/African American youth) (b)
- family violence (38% for all, 46% for Black/African American youth) (b)
- job loss (23% for all, 37% for Black/African American youth, 19.2% for Hispanic/Latinx youth) (c)
- alcohol/drug use (19% for all, 23.1% for Hispanic/Latinx youth) (c)

a) San José's 2019 Homeless Youth Risk and Resiliency Survey  
b) 2021 HMIS data from VI-SPDAT assessments  
c) 2019 PIT

**Breakout  
Groups**

Who are the young people we see in the data? Who is missing?

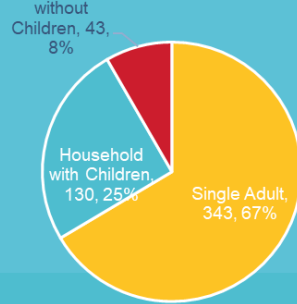

What sub-populations of youth who are historically neglected should the County focus on to address homelessness?

What do you know anecdotally about youth and young adults experiencing homelessness in Santa Clara County, and do you see it in the data? Why or why not?

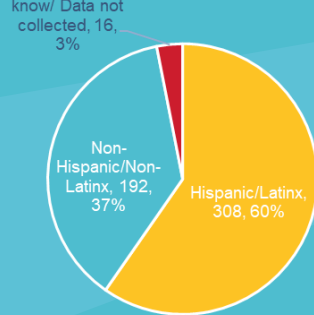

# YVA Experiencing Homelessness in SCC

## VI-SPDAT: 9/1/20-8/31/21

**GOVERNANCE**

# What is Governance?

- The agreements, rules, processes, or policies that guide or direct a group of people, often providing written standards and oversight on how they make decisions and carry out their work or activities
- Not all governance structures are the same! Cities and counties, corporate boards, public schools, and homeless service systems all have their own forms of governance.
- Some forms of governance offer very few opportunities for public participation and decision-making and others offer lots.

# Why Does Governance Matter

- Because we aim to do transformational work. Sharing power with young people requires changing the decision-making process and shifting the power within the community.
- Because solutions to homelessness are only effective when those most impacted are leading. This means we need to not only invite people to the table, but also redistribute decision-making power.
- Because a strong governance structure help you address the system level challenges that individual organizations, coalitions, and agencies are otherwise unequipped to address on their own.
- Because we can work more effectively when we work with transparency and everyone understands their role in the decision-making process.

# HUD Expectations for CoCs and YHDP

The federal Continuum of Care (CoC) program requires communities create and write down a governance structure for how their communities make decisions about homelessness.

Your community is required to develop a governance structure and decision-making process for YHDP and include it in your Coordinated Community Plan (CCP). At a minimum, HUD will be looking for you to include an organization chart outlining the governance structure, including:

- How decisions are made regarding YHDP funds
- Who is involved in the decision-making

# ***YAB GOVERNANCE***

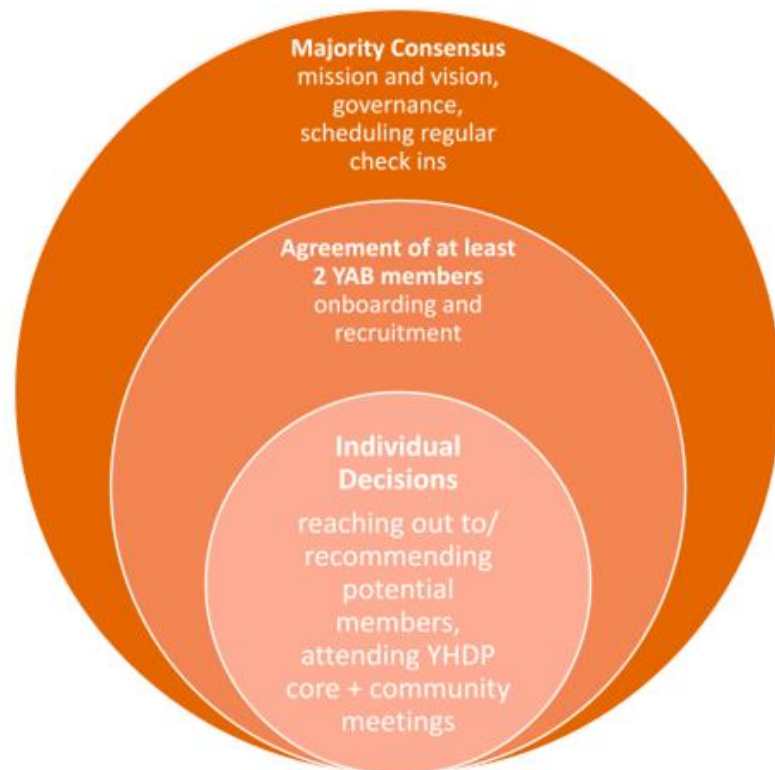

## **Governance Structure:**

**Santa Clara YAB currently has a Flat Leadership governance. Roles & responsibilities are equally divided among members and selected based on individual capacity.**

## **Voting & Decision Making:**

**Majority consensus is required for votes affecting YAB & related YAB work, more specifically YHDP related work; further identified in Decision Making Flow Chart Visual.**
